

Panditi Prem Raj Kumar

Phone: +91 7337219353

Email: premraj कुमार25prk@gmail.com

PROFESSIONAL SUMMARY

Motivated Computer Science graduate with strong foundations in Python, SQL, and software development principles. Interested in building scalable and reliable software solutions while collaborating in agile teams. Eager to learn, contribute to product development, and grow as a software engineer.

EDUCATION

Bachelor of Technology (Computer Science and Business Systems)	2020 - 2024
G Pulla Reddy Engineering College	Grade: 7.47/10.0
Intermediate (Class XII)	2018 - 2020
Sri Chaitanya Jr College	Grade: 89.6%
Matriculation (Class X)	2017 - 2018
Ravindra Vidya Niketan	Grade: 10.0/10.0

TECHNICAL SKILLS

Programming Languages: Python

Data Visualization: PowerBI, Matplotlib, Seaborn

Databases: MySQL

Tools: MS Excel, MS Office, Jupyter Notebook, GitHub

PROJECTS

- Built and evaluated a machine learning–based forecasting system to predict NIFTY 50 closing prices by preprocessing historical market data, engineering features, and comparing models to support data-driven decision making.
- Student Performance Data Processing System | Data Cleaning | Built Python-based pipeline for cleaning, transformation, and insight generation of student academic performance and delivered actionable recommendations to improve outcomes for low and moderate performers.
- Designed and implemented SQL-driven data pipelines and analytical workflows across 7 datasets, translating business requirements into actionable technology solutions..

CERTIFICATIONS

- Software Engineering Job Simulation — **JPMorgan Chase & Co.**
- SQL Bootcamp (Certified) — **Udemy**
- Python Programming Cerification — **Innomatics Research Labs**
